

RESEARCH GRANTS COUNCIL

Hong Kong PhD Fellowship Scheme 2022/23

Guidance Note for Applicants

Please ensure that you read this Guidance Note carefully before completing and submitting your initial application. The Research Grants Council (RGC) may stop processing your application if your application does not meet the requirements set out in this Guidance Note.

SCHEME PROCESS

- (a) The deadline for the submission of initial application for the HKPFS is **1 December 2021 at 12:00 noon Hong Kong time**. Late submissions will not be considered.
- (b) Applicants should note that the Hong Kong PhD Fellowship Scheme Electronic System (HKPFSES) will **time out automatically after idling for 30 minutes**. All unsubmitted entries will be lost upon system time-out.
- (c) The initial application, excluding this Guidance Note, is composed of the following sections:
- A. Personal Particulars
 - B. Choice of University(ies) and Programme(s) for PhD Study
 - C. Authorization and Declaration
 - D. Source of Information
- (d) In order to ensure consistency and fairness to all applicants, **each applicant should only submit one initial application** through the HKPFSES at <https://cerg1.ugc.edu.hk/hkpfs/InitApplication.jsp>. In the event that an applicant is discovered to have submitted more than one initial application, all applications submitted by the same applicant for the HKPFS may be **disqualified even if the applicant is nominated by an university to compete for the HKPFS award**.
- (e) The initial application form, except for the field requiring the input of applicant's Name in Chinese (if applicable), must be completed **in English**.

(f) Upon submission of the initial application, an HKPFS Reference Number will be automatically generated for each applicant. An email confirmation stating the **HKPFS Reference Number** and details of the **log-in password** will be sent to the email address specified by the applicant. Applicants are strongly advised to **save and/or print out the email confirmation** for future reference. The **HKPFS Reference Number [PF21-xxxxx]** must be quoted by the applicant in all correspondence with the RGC and in all applications to the chosen University Grants Committee (UGC)-funded universities as indicated in this initial application. An applicant will need to log-in using the HKPFS Reference Number and log-in password if he/she wishes to change the choice of universities/department/programmes at a later stage.

(g) An applicant **may make changes** to choice(s) of university/department/programme **until** the initial application deadline, i.e. **1 December 2021 at 12:00 noon Hong Kong time**. However, only the two choices saved in the HKPFSES as at the deadline will be processed.

(h) After completing an initial application, applicants should submit a **full application to the chosen university(ies)** quoting the HKPFS Reference Number **before the university's deadline [please note that each university may have a different deadline]**. An initial application that is not followed up with a full application to the university will not be processed to the next stage.

(i) Applicants should ensure the accuracy and consistency in the data submitted to the RGC through the HKPFSES and information submitted to individual universities. Any inaccuracy or inconsistency may lead to an application not being considered under the HKPFS..

(j) Information provided through the HKPFSES will be cross-checked with the information contained in applications submitted to universities for verification purposes. The cross-checking will be done in such a way that in cases where an applicant chooses and submits full application to more than one university, each university is only aware of the submission to itself and not of the other submission.

(k) Applicants must comply with the admission and application requirements of the individual university(ies) concerned. Individual universities will usually conduct interviews with applicants as part of the assessment for selection. For programme information, requirements for PhD admission, application methods and deadlines, regulations and policy of individual universities, please check with the individual university concerned.

(l) Universities will nominate selected candidates to the RGC to compete for the HKPFS award. In the event that an applicant is nominated by two universities, the RGC will only process the nomination tendered by the university for which the applicant has indicated priority. If an applicant selects two different programmes within the same university and is nominated, the university shall have the discretion to decide on which programme it supports the nomination.

(m) Applicants who are not selected for the award of HKPFS may be accepted by a university for regular PhD admission and may be offered a postgraduate studentship or other funding support by the university.

(n) Enquiries concerning the HKPFS should be made using the applicant's e-mail account specified in the initial application to HKPF@ugc.edu.hk quoting the HKPFS Reference Number. Questions regarding admission requirements as well as other university's information should be directed to the relevant universities.
