"Hong Kong PhD Fellowship Scheme 2010/11" Information Sessions in Singapore, The Philippines, Malaysia, Thailand, Pakistan, Vietnam, Bangladesh and India

The Hong Kong PhD Fellowship Scheme is launched by the Research Grants Council (RGC) of Hong Kong. The Fellowship Scheme aims to attract the outstanding students in the world (including those from Hong Kong and Mainland China) to pursue their PhD degree programmes in Hong Kong.

The Fellowship will provide an annual stipend of HK\$240,000 (approximately US\$30,000) and a conference and research-related travel allowance of HK\$10,000 (approximately US\$1,300) per year for a maximum period of three years. 135 PhD Fellowships will be awarded for the 2010 / 2011 academic year.

A local briefing session on the Scheme was held at Wei Hing Theater of City University of Hong Kong on September 14, 2009. The RGC is going to organise information sessions in the following overseas countries. Chairman of the RGC and representatives of the UGC-funded institutions will introduce the Scheme to the participants and respond to the enquiries regarding the Fellowship Scheme as well as PhD programmes offered by institutions. Some of these sessions are open to the public. All interested parties are welcome to attend:
